SUMMARY

Self-driven and people-friendly Computer Science undergraduate with internship experience, skills in programming and web development, strong communication abilities, and a passion for learning.

EXPERIENCE

Gen AI & Cloud Computing Intern

BHARATCARES & IBMSKILLSBUILD

June 2026 - July 2026, Remote

- Earned formal certification issued in joint partnership with the All India Council for Technical Education (AICTE) and IBM SkillsBuild.
- Developed foundational and practical expertise in cutting-edge domains, specifically focusing on Generative AI applications and cloud infrastructure solutions.
- Explored and implemented various Generative AI models for text generation and data analysis tasks, enhancing understanding of AI capabilities.

Zero Trust Cloud Security

Zscaler

January 2025 - March 2025, Remote

- Focused on continuous authentication, least-privilege access, and micro-segmentation to protect sensitive data and workloads.
- Configured and tested Zero Trust security policies using Zscaler's platform to enforce access controls and data protection measures.

Android Developer

Google for Developers

October 2024 - December 2024, Remote

- Worked with Android Studio, Kotlin/Java, and Jetpack Compose to build and refine mobile features.
- Integrated Jetpack Compose UI components and Kotlin coroutines to enhance user experience and app performance.

PROJECT

Charis-AI

Personal • [charis-sigma.vercel.app](#) • July 2026 - August 2026

- Integrated large language models into the Charis-AI platform to enable advanced text summarization and content generation capabilities.
- Developed a scalable backend API using Python and Flask to manage user data and facilitate content generation requests for the Charis-AI platform.

Portfolio

Personal • [my-portfolio-livid-seven-39.vercel.app/](#) • June 2026 - June 2026

- Designed and developed a dynamic portfolio website utilizing React and Vercel, showcasing projects and technical skills to potential employers.
- Deployed portfolio using Vercel, optimizing for fast load times and mobile responsiveness across devices.

Social Post App

3WBUSINESS Private Limited • [minisocialapp.vercel.app/](#) • May 2026 - May 2026

- Engineered a responsive user interface using React and Node.js, enabling seamless post creation, viewing, and interaction for a social platform.
- Implemented MongoDB for efficient data storage and retrieval of user posts and profiles, enhancing application scalability.

Drum Kit Game

[drum-kit-completed-seven.vercel.app](#) • February 2026 - February 2026

- Developed an interactive drum kit simulation using HTML, CSS, and JavaScript, enabling users to trigger sounds via keyboard input.

EDUCATION

B.Tech-CSE

Axis Institute of Technology and Management • Kanpur • 2023-2027

- 65.16%.

Higher Secondary

Karam Kshetra Inter College • Mainpuri. • 2023

- 55.4%.

Senior Secondary

GK Global Academy HSS • Mainpuri. • 2021

• 75.8%.

CERTIFICATIONS

The Complete Full-Stack Web Development Bootcamp

Udemy • 2026

• Completed a 62-hour bootcamp in Full-Stack Web Development (HTML, CSS, JavaScript, React, MongoDB Node.js, Git & GitHub).

Foundation Associate

Oracle • 2026

Yuva AI For All

tcsion • 2026

AWS Academy Graduate - Cloud Architecting - Training Badge

Aws academy • 2026

Data Analytics job Simulation

Deloitte • 2025

SKILLS

Technical Skills : Python, MERN, JS, HTML5, Tailwind CSS.

Tools & Software : Git & GitHub, VS Code, Claude, MS excel, MongoDB, Vercel, Render.

Soft Skills : Communication, Problem solving, Time Management, Teamwork & Collaboration.
